ABOUT US

Futurex Trade Fair and Events Pvt. Ltd. believe in philosophy of making exhibition most sustainable and cost effective mode of business activity with perfect blend of best manufacturers and potential industry buyers from around the world. Our expertise lies in identifying the emerging sectors which have scope and potential for trade show and create a platform for the industry to interact and engage and play the catalytic role in the growth of industry.

We strive to make exhibitions a complete package to achieve short & long term marketing & organisational goals with the objective of being the finest organiser of focused international trade shows and events in the world. Our team comprises of qualified and experience professionals with working experience of organizing over 100 multi-industry trade and consumer shows in India and abroad.

Media Space Solutions Pvt. Ltd. is a digital media and event management company that owns and operates a portfolio of exhibitions and digital place based and mobile networks that reach consumers on the move.

Putting on events of this scale with focus on specific industries requires executing complex management, innovative ideas, personalized services and a cost effective production and execution. We promise and deliver dedicated event management services. We firmly believe that events don't happen; it needs a team to make it happen. At Media Space you would find a team which is creative, experienced and committed to make every event "FULFILLING" experience for all the stakeholders.

Whatever good things we

BUILD

end up building our world
