## International Expo 2019

**NEPAL BUILDCON' 2019 –**

**PROVIDING THE STRONGEST FOUNDATION FOR BUILDING YOUR  
BUSINESS SUCCESS IN NEPAL SINCE 2015.**

*The building and construction industry in NEPAL has been witnessing an unrivalled growth and has proven to be an ocean of business opportunities, and NEPAL BUILDCON is your key platform which will help provide the strongest foundation for you to build and grow your business in the country.*

Recognised since 2015 as the industry's largest and most successful international exhibition in Nepal for the building and construction industry, Nepal Buildcon International Expo will be next held from 8th to 10th February, 2019 and it will be the most comprehensive platform to showcase your business to the Nepal market for new market entrants and companies that are already doing good business here. The Government of Nepal's budget for 2019 has incorporated measures to stimulate and benefit the construction, engineering and material sectors and will focus on increasing home ownership affordability and big government infrastructure projects.

In particular, the country has witnessed a number of infrastructure projects which will provide the backbone for growth. Among the key growth drivers of the economy are the tourism and the building & construction sectors. This can be seen with the number of international hotels being built in Kathmandu and other key cities.

Whether your objective is to conduct market feasibility studies, seek local partners and distributors, increase existing market share in Nepal, or simply just to maintain relationships with key clients while looking for new opportunities with foreign partners, you can be certain to meet your objectives at Nepal Buildcon International Expo.
